If you go past a care home or the Horder Centre bring a picture home so you can pray for people who are ill and those who work there.

Take pictures of the church, school and Preschool and pray for everyone connected with them

Take landscape pictures so you can thank God for our countryside, our food nature etc.

Lynn's flower challenge for Pentecost (31 May)

Lynn says in the arrangement I have used red roses in an upright position in rows lined underneath each other in a long container. The foam is covered with red robin foliage and addition of red alstroemeria. Keep well-watered.

The following week is Trinity Sunday, as the flowers deteriorate from Pentecost add white and yellow flowers to your design.

Children can draw pictures or make flowers from tissue paper.

Why not try a prayer poem and illustrate it for your home.
