

# St. John's Family Challenge and activities for May

Try these things out as a challenge. Do you believe you can do it!!

Build a tower of brick, straws or anything you can find. How high can it go?

Or else try one of these.

If we want to believe something, we have to work at it.  
We have to try things and even if it goes wrong at first, we keep having a go.  
Sometimes we need help  
What's amazing is that we can often do something fantastic which is more we believed possible.

***If you build a tower or do some kind of challenge take a picture and send it to Phil so he can put it on the church website.***

If you have stones use a pen to write words to describe family life and then write on others words of the gifts Jesus Holy Spirit brings us

Or make a collage

### FRUIT OF THE SPIRIT

love,  
joy,  
peace,  
patience,  
kindness,  
goodness,  
faithfulness,  
gentleness,  
and self-control

Use tissue paper and card to make a stained-glass window to hang in the light

Or a mobile
