

## St. John's Crowborough Family Challenges May 2020

Scarlett and Willow Crawford ran 100 laps of their Grandparents' garden to raise money for the St. John's Preschool (this was over a number of days, but an achievement nonetheless).

### Willow and Scarlett's story

Following on from Captain Tom, my girls have decided to run sponsored laps of the garden! Each lap is approx 100m with a target of 100 laps over the next few weeks. Please help raise money to keep our precious preschool open after this difficult time.

Also this month, Beth and Oliver Sherry ran their first 1km.
