News

Thank you to Class 2 for a lovely assembly this week.

Our netball team did St John's proud again; coming 2nd in the Wealden tournament at Uplands College and our tag rugby teams also did a splendid job by winning the Crowborough tournament at the Rugby club yesterday. Congratulations to our cross course runners who took part in the Sussex finals in Brighton this afternoon. They were representing the North Wealden area and did amazingly well.

The lunch menu on Thursday will not be reflected correctly on Parentpay. It will be fish fingers & chips or a vegetarian burrito & chips. The usual baguettes or jacket potato will also be available.

We return to school on Monday 16th April 2018.
