## Our Mission

St John's is a Church of England parish in the Catholic tradition and is a place of worship and encounter for all who seek God, whatever their tradition or background.

We offer different types of services to cater for all needs from the Mass (also called the Eucharist or Holy Communion) in both modern and traditional language, with Sunday Club for the younger children and JAM (Jesus and Me) for the older ones to our twice monthly family services and our monthly evening worship in the reflective and meditative style of the Taizé Community.

We hope this leaflet gives you an insight into our life together at St John's and more specifically for our young people. We are an active and growing congregation, you are assured a warm welcome.

## Young People at St John's —the approach

St John's is a growing and friendly church community. The Parish is committed to safeguarding children and they are welcome into the heart of our parish worship. Our traditional worship style (which our youngsters take an active part) is complemented by more informal family services.

### Our Aims

- To enable young people to take an active part in church life
- To seek to grow numbers
- To provide a youth forum
